## REACH Statement of Compliance

The regulation (EG) no. 1907 /2006 (REACH Regulation) is an EU-Chemical-Regulation, effective from 1st of June 2007.

**REACH** is the abbreviation of Registration, Evaluation, Authorisation and Restriction of Chemicals. The purpose is a strong protection level of human health and the environment.

As a downstream user, we are liable for information towards the customers. We are not liable for registration of substances.

Goods, which you purchased from Thiim A/S, do not, by definition of REACH, have to be registered. Chemical substances contained in our goods, which may possibly be subject to registration, must be registered exclusively by our pre-suppliers.

We maintain contact with our suppliers to avoid that SVHC materials from being included in our products.

To our knowledge, no materials from the ECHA Candidate List with 0.1 mass percent, are included in our goods or packages.

Should our goods or packages contain SVHC materials in the future, we will inform our customers if the reporting requirements, are fulfilled.

In case of further questions regarding the implementation of the REACH regulation in our company, please do not hesitate to contact us.

Thiim A/S confirms that there are no SVHC materials identified in the latest amendment of the EHCA candidate list, contained in any of our products supplied.

Concerns regarding this policy, or suspected violations of this policy, can be reported to the following address:
